YRC MEETS PROGRAMME

Participate - Lead - Support - Bring A Guest

General Information

Members, their Guests and Prospective Members wishing to attend Meets should book a place using the appropriate Booking Form on the website. The Meet Leader will facilitate car sharing where possible.

Club Meets are usually catered for and the Meet Notice and Booking Form will detail all necessary arrangements including those for meals and refreshments, etc.

Guests

The Club welcomes Guests on Meets provided they are registered with the Membership Secretary to take advantage of three months free BMC Combined Liability Insurance. After three months have elapsed, the Registered Guest must become a Prospective Member to attend any further Meets (unless they are already a BMC member in their own right).

Participation in Club Meets

Hill-walking, caving, potholing, skiing, climbing and mountaineering like many similar activities, have an element of risk of personal injury or even death. Members and their guests participating in these activities on Club Meets do so voluntarily. Individuals must be aware of and accept these risks, and are responsible for their own actions, involvement and safety at all times.

Club Meets do not provide formally led or guided activities or tuition. If a Club Member or Members decide to accept responsibility for any activity (e.g. taking an individual or a group walking, skiing, climbing, scrambling or mountaineering, caving or exploring mines, etc.) it is on the basis that they are only helping by sharing their experience; they are not in any way qualified; they are not regarded by the Club nor regard themselves as 'technical experts' but are amateur walkers, skiers, climbers, scramblers, mountaineers or cavers etc. with some experience which they are prepared to share.

Any less-experienced Members or Guests accompanying them take any advice on this basis and the onus of responsibility for deciding whether or not to rely on any such advice lies with the less-experienced Member or Guest.

Meet Leader's Role and Responsibilities

The role of the Meet Leader is confined to facilitating the arrangements for the Meet concerning information, accommodation, transport and food. The use of the term "Leader" by the Club carries no implication that the Club considers that the individual is a person who, by training or experience, is necessarily qualified to be a leader in the hills and mountains or in cave systems.

The Meet Leader will undertake or delegate the following administrative responsibilities for the Meet:

- Work with the Meets Secretary to identify and book suitable accommodation, taking into account the facilities, the likely number of participants, possible activities, etc.
- Liaise with the Treasurer in respect of payment of any up-

front deposit necessary to secure the booking.

- Prepare a Meet Notice ahead of time containing full details of the Meet in terms of location, suitable guidebooks/maps, transport options, directions and Grid Reference/Sat Nav coordinates for accommodation and facilities, communal catering arrangements, possible activities/Meet objectives, suggested equipment and costs etc.
- Provide the Meets Secretary with the information necessary to produce a website Booking Page.
- Determine food provision on catered Meets entirely at their discretion, including whether or not to accept any requests for alternative dietary requirements.
- Facilitate requests for sharing transport to minimise car use.
- Finalise numbers with accommodation managers and communal catering providers, where necessary.
- Communicate any special requirements for access, parking, or camping etc. on the Meet and making arrangements for obtaining keys, where necessary.
- Comply with the Club rules and guidelines in particular the policy for the protection of the young and vulnerable adults.
- Collect appropriate Meet fees from all participating Members and registered Guests.
- Ensure that arrangements are in place to leave the accommodation clean, tidy and secure.
- Make arrangements for returning the keys, where necessary.
- Provide the Treasurer with a financial account of the Meet and arranging for any transfer of funds.

- Write or delegate the preparation of the Meet Report which is to be forwarded to the Meets Secretary within two weeks of the meet (except for expedition reports, where the timing should be agreed). The Meet Report must include a list of all those attending.
- Assist the Meets Secretary and Committee in finding a replacement Meet Leader should circumstances dictate.

The Committee thanks all Meet Leaders for their efforts and welcomes offers of support and help to run Meets to the YRC's usual high standards. If you would like to run a Meet or have suggestions for a venue please contact the Meet Secretary.

GENERAL INFORMATION

Annual Subscription

The annual subscription for membership of the Club for 2024-5 is £65. Members under twenty-five years of age on 1st November and those in full-time education are entitled to pay only half the full subscription. Life Members over 65 years of age may elect to pay half the full subscription on giving notice to the Treasurer. Members resident overseas pay £45.

YRC Archives

Much of the Club's history is held in a Public Records Office to be maintained and be more accessible for reference under the control of a professional archivist. The material remains the property of the Club. Our Archivist will advise Members from time to time of archival material being deposited and can supply on request a list of material currently held.

The YRC archival material is held at the North Yorkshire County Record Office, Malpas Road, NORTHALLERTON, DL7 8TB. Tel: 01609 777585, e-mail: archives@northyorks.gov.uk. There are useful pages on the North Yorkshire Council web site. The Senior Archivist is Tom Richardson.

It is a five minute walk from County Hall, the railway station and the town centre car park. The A1 & A19 are a few miles distant. Staff will be pleased to give directions and the YRC Archivist can provide a location map on request. The facilities include: large public search room, internet access, WiFi hotspot, tea room for visitors' use, and toilets. There is no charge to visit the Record Office.

Please make an appointment before visiting. Bookings can be made by telephone, by e-mail, by fax, by post or in person. Original items must be ordered in advance and fees are charged for copies.

Opening hours

Monday	Closed
Tuesday	9.30am - 4.30pm
Wednesday	9.30am - 4.30pm
Thursday	9.03am - 4.30pm
Friday	9.30am - 4.00pm

The office will usually remain open over lunchtime but it may be necessary to close between 1pm and 2pm.

British Mountaineering Council

The Club is affiliated to the BMC which represents the interests of climbers and mountaineers at both local and national level. Affiliation to the BMC provides all UK resident Members of the YRC with indemnity insurance against civil liability claims while undertaking climbing, mountaineering and abseiling as well as scrambling and mountain walking. UK resident Members will receive copies of Summit magazine. YRC Members can upgrade to full individual membership of the BMC with additional benefits. Details are available by post: BMC, 177-179 Burton Road, West Didsbury, Manchester, M20 2BB. Tel: 0161 445 6111 or from the web: www.thebmc.co.uk

The British Caving Association (BCA)

The Club is an Associate Member of the BCA. This organisation fulfils for caving and potholing what the BMC does for mountaineering and fell walking, and is recognised by the UK Sports Council as the governing body for caving in Great Britain. It is a federation of Regional Caving Councils, national bodies with specialist interests, caving clubs and individual members.

For many years the Club has been a member of the Council of Northern Caving Clubs (CNCC), one of the main functions of which has been to negotiate agreements with landowners to permit access by caving clubs to caves on private land. In particular, it organised permits to control access by cavers to the Leck Fell area, which includes the Easegill system, the longest system of cave passages in the UK. The CNCC is now subsumed into the BCA structure.

As an Associate Member of the BCA, the Club also becomes a member of the British Cave Research Association (BCRA), which is a charitable organisation aimed at promoting the study of caves and karst by encouraging the exploration of caves both in the UK and overseas.

Like the BMC, the BCA also operates a Public Liability (PL) scheme. However, unlike the situation with the BMC, PL cover is not a compulsory component of BCA Membership and at present the YRC has opted out of this.

More details of the BCA and BCRA can be found in their web sites: www.british-caving.org.uk and www.bcra.org.uk.

YRC Library

The Club's Library is held at Lowstern in the Library Room. The Library is kept locked for insurance reasons. Members can purchase Library keys for £10 from the Huts Booking Secretary, which remain the property of the Club. (If lost, a further key will cost £10).

You can browse; or to borrow a book, enter details in the Borrowing Book: when you return it, record the return. Please take care to return each book to its coded position. To borrow by post: ask the Librarian. When returning: enclose sufficient stamps to cover the outward postage.

The catalogue is held on the computer in the Library: Full user's guide instructions are provided. The catalogue lists over 1200 books, excluding journals, by their shelf position. Instructions for finding books by *author* (e.g. all

books by FS Smythe) are provided. Listing by *categories* is in hand i.e. Mountaineering; Archaeology, History & Science; Caving & Potholing; Guides; Journals; Periodicals & Society Publications; Skiing; Walking & Trekking; etc.

Material from Bequests

Material from bequests falls into several categories:

- *Books* – the YRC Librarian is pleased to receive books about mountaineering and/or caving which are of particular value for the history of the sport, or involve members of the YRC. Books on other subjects, or more general books on mountaineering/caving, should be offered elsewhere. If in doubt, contact the Librarian.
- *Papers* – the YRC Archivist is pleased to receive original research and original correspondence, plus any very early papers – say pre-1960. Meet and other reports and circulars, minutes etc are already well-represented in the archive, and further copies are not needed. If in doubt, contact the Archivist.
- *Maps* – unless of particular interest and relevance for the archive, maps should be offered elsewhere.
- *Journals, handbooks, dinner menus and other memorabilia* – we have enough journals, handbooks and YRC dinner menus – other memorabilia MAY be useful, please discuss with the Archivist.
- *Photographs* – may be of interest for the archive but ONLY if relevant to the YRC and ONLY if they come with information about who and/or what is on them. This is especially true for digital images, of which we all have too many! If in doubt, contact the Archivist.

It would be ideal if Members followed this advice and sorted out potential bequests themselves in good time rather than leaving it to families or friends.

Members are also reminded that if they have an interest in acquiring bound sets of YRC journals or any specific volumes that get donated to the club they should register their interest with the Librarian.
